It was supposed to be a hot one night fling!

“Who are you?” I asked him. I was serious this time. I looked at his eyes and they started changing their color once again. He looked at me with the azure blue eyes and blinked and voila they turned emerald green.

Sometimes it takes only one person to make you believe in love, while at times the entire world is not enough. I never used to believe in love. For me, my work meant everything to me. But that is all in the past now...

I had never desired a man, but when I looked at Nathan, my boss and the company CEO, I felt a strong urge to kiss his luscious lips and being held in his strong arms. He granted my wishes and made me feel each and every cell of my body. Behind his sad eyes, I discovered a man who fell in love with me. Little did I know that the face of someone so divine, an alien would cruise through my heart.
