The human experience has a cycle similar to the butterfly and other species. As spiritual beings, we are all on a journey to consciously re-connecting with who we truly are...allowing ourselves to be strengthened and transformed into purposeful beings.

"Metamorphosis: A Poetic Journey" is an autobiographical collection of poems that takes its readers on a poetic adventure; with an organic flow, which tells a story. "Metamorphosis" is a voyage many can relate to - it is the transformation from "lost to found," from "female to grown woman," and the ongoing, progressive awareness from seeker to Divine soul.
