### **BOOK #1: Minimalist Living. Tiny House or Motorhome Lifestyle?. A Practical Guide on How to Declutter and Simplify Your Life**

This book will provide some answers and suggestions as to how you can move on in your life. This is a bridge to a new way of life, cross over it and enjoy.

We will picture some of the common problems that may arise when assessing your situation and will have a look at those of us who need to downsize the clutter in their homes, but are not contemplating moving on just yet.

By the end of this guide you should have an idea of what it entails to down-size your property. It is not just about deciding where you want to live next, but encompasses an emotional part of your life, and the next stage in your personal development. Condo living, living in a car, renting your own home, a smaller house - there are many decisions to be made - and hopefully, this book has provided some useful tips in helping you to make them.

## **BOOK #2:Motorhome Living. Outstanding Life Hacks On How to Earn A Living On The Road**

This book will offer you some great advice, tips, and suggestions about living full-time in an RV and earning a living while doing so. You will also be given reasons why living in an RV is better than living in a House. You will get some great suggestions on how you can earn a living while you stay in your RV and do some traveling so that you are able to see different areas of the country and get to wake up to a new and different scenery each and every day if you so wish. In this book you will be given an assortment of great tips to help ensure that your experience with living in your RV will truly be a positive time for you on many different levels.

Many of us would love to up and hit the road but the one thing that stops most of us from doing this is not having a job that we can up and leave. But in this book you will find suggestions of ways that you can earn a living while you travel. This will make the decision to hit the road a lot more easier if you know that you will be able to make a living while living in your RV. No matter where we go or where we live we still need money to cover the costs of living. Even living in an RV does have costs that need to be covered but most of them will be at a much lower cost compared to those connected with living in a house.

Reading this book will at the very least give you the information you need if you are considering trying to live full-time in your RV.
