Mr. Mob: The Life and Crimes of Moe Dalitz Michael Newton

Morris "Moe" Dalitz was America's most secretive and most successful mobster. As a major architect of the United States' national crime syndicate, Dalitz was active in various fields of organized crime from 1918 until his death, all while spinning a web of myth and mock-respectability around himself so dense that decades after his demise, most mistake the legend for reality. From Prohibition-era bootlegging to the Reagan years, no other individual was present at so many pivotal events in gangland history. It's impossible to fully understand the modern Mob without knowing about Dalitz, his career, and the cunning publicity campaign that transformed his image from thug to that of a revered philanthropist. This exhaustive biography tells the story of Dalitz's life and the syndicate that he and like-minded individuals built from scratch.
