Bernard Rosenthal

Records of the Salem Witch-Hunt Bernard Rosenthal

This book represents the first comprehensive record of all legal documents pertaining to the Salem witch trials, in chronological order. Numerous newly discovered manuscripts, as well as records published in earlier books that were overlooked in other editions, offer a comprehensive narrative account of the events of 1692-93, with supplementary materials stretching as far as the mid - 18th century. The book may be used as a reference book or read as an unfolding narrative. All legal records are newly transcribed, and errors in previous editions have been corrected. Included in this edition is a historical introduction, a legal introduction, and a linguistic introduction. Manuscripts are accompanied by notes that, in many cases, identify the person who wrote the record. This has never been attempted, and much is revealed by seeing who wrote what, when.

Publication made possible with generous support by the National Historical Publications and Records Commission.
