Six letters resembling Hebrew fills the whiteboard, each meaning nothing until the last symbol is seen. An unexpected rush of information explodes inside the brain with perfect clarity and understanding. The message states you are not from earth, you are a soul migrant. Then a telepathic message is received: "Prepare for what is to come." This was experienced by Richard and his son in February of 2007 while at a motocross track in Chatom, AL. Richard and two of his children have been placed in training environments comparable to the movie "Matrix" while being trained in skills that defies reality as we know it. These controlling entities are both human and non-human, military and non-military. If what they are shown is true, our future is most exciting but filled with danger. If not true, these entities can manipulate reality to achieve their agenda using technology that can best be described as magic. Either way, what we have been taught as children does not hold-up to this alternate reality. Prepare yourself for the unbelievable.
