If you are currently struggling with getting traffic to your website, or converting that traffic when it shows up, you may think you've got a traffic or conversion problem. In Russell Brunson's experience, after working with thousands of businesses, he has found that's rarely the case. Low traffic and weak conversion numbers are just symptoms of a much greater problem, a problem that's a little harder to see (that's the bad news), but a lot easier to fix (that's the good news).
