Gift of Saturn (Gift of Saturn Series) (Volume 1) E.E. Martin

Paige Weston used to look up at the sky and wonder how far away the planets were. Now she learns planets are people, and they are doing more than just looking at us. Everyone is connected to a planet though most live their lives never knowing about the politics and plots weaving right in front of them. Some people are connected to Venus because they are romantics. The sneaky ones are bound to Mercury. Others are tied to Pluto because of their intuition. Planets we are connected to can give us gifts—talents, curses, and even weapons. Paige receives her first gift and becomes a target in a war she wants no part in. In order to protect herself and those she cares about, she must heed the advice given to her by Saturn himself... Be On Your Guard
