**Museum Basics (Heritage: Care-Preservation-Management)** Timothy Ambrose, Crispin Paine

Fully updated and extended to examine the many changes that have occurred in the last decade, this second edition of world-renowned text *Museum Basics* provides a basic guide to all aspects of museum work and staff experience from museum organization, through collections management and conservation, to audience development and education.

Drawing on a wide range of practical experience, the authors have provided an excellent tool that enable museums throughout the world to conquer a common challenge; to keep up-to-date with new ideas and changing practices.

Organized on a modular basis, with over 100 units, *Museum Basics* is a reference to support day-to-day museum management, a key text in pre-service and in-service training programmes, and works brilliantly alongside case studies, project work and group discussion.

With a glossary, sources of information and a select bibliography, this is certainly a book that no museum professional, nor museum and heritage studies student will want to be without.
