Pathfinder Tales: Skinwalkers Wendy N. Wagner

As a young woman, Jendara left the cold northern isles of the Ironbound Archipelago to find her fortune. Now, many years later, she's forsaken her buccaneer ways and returned home in search of a simpler life, where she can raise her young son, Kran, in peace. When a strange clan of shapeshifting raiders pillages her home, however, there's no choice for Jendara but to take up her axes once again to help the islanders defend all that they hold dear. - From author Wendy N. Wagner comes a new adventure of vikings, lycanthropes, and the ties of motherhood, set in the world of the Pathfinder Roleplaying Game.
