## **Practicing the Presence** Joel S Goldsmith

"No one is going to pick up this book and read it, unless it is someone who has already known quiet moments of inner reflection," writes the author of this book, someone who has been plagued by frustration, lack of success, or lack of harmony, and who has pondered long and seriously why life should be so unsatisfactory. Because this was my experience and because that experience led to the writing of this book, only those who have had a similar experience and have been goaded by that same unfathomable question will be interested in reading further to discover what I have found and how it has benefited me." Within these chapters Mr. Goldsmith takes you along the path he pioneered: Spiritual Consciousness, Demonstrate God, God the Only Power, The Infinite Nature of Individual Being, Love Thy Neighbor , To Him that Hath, Meditation, The Rhythm of God, The Moment of Christhood, A Vision to Behold.
