Raid on St. Nazaire (1st Edition)

Using a unique blend of area movement to depict the naval action and a point-to-point system to simulate the land battle, you command the British forces in a re-creation of the historical action that took place on March 28, 1942. Or, you can plan your own attack by varying the primary targets of your individual demolition squads and torpedo boats. Each game is a new experience, varied only by fate and combat interacting with the German opponent. For one player.
