Starfire Vol. 1: Welcome Home Amanda Conner, Jimmy Palmiotti

Amanda Conner and Jimmy Palmiotti-the twisted minds behind the New York Times best-selling series HARLEY QUINN-introduce Starfire's first ongoing series!

Life is bright and beautiful in Florida's Conch Republic. Warm weather, laidback attitudes, an orange-skinned alien warrior princess, tons of sunshine...wait a minute. That's right: Princess Koriand'r of the planet Tamaran, the former Outlaw known as Starfire, has relocated to Key West.

Starfire is determined to start a new life for herself-a normal life. But assimilation is easier said than done. Though she quickly makes new friends (some of whom want to get very friendly), Kori finds the Sunshine State more challenging than she expected. She'll fly through the eye of a raging hurricane and battle aliens and subterranean creatures; but, first and foremost, she'll need to find a roof to put over her head and a job to pay for it.

Is Kori ready for a life in Key West? Is Key West ready for a life with Starfire?

Collects STARFIRE #1-6 and DC SNEAK PEEK: STARFIRE #1.

From reader reviews:

Terry White:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with training books but if you want experience happy read one together with theme for entertaining such as comic or novel. The actual Starfire Vol. 1: Welcome Home is kind of guide which is giving the reader capricious experience.

Matthew Ramey:

Precisely why? Because this Starfire Vol. 1: Welcome Home is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret that inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

Cynthia Gomez:

Are you kind of stressful person, only have 10 as well as 15 minute in your time to upgrading your mind skill or thinking skill even analytical thinking? Then you are having problem with the book than can satisfy your short time to read it because this time you only find e-book that need more time to be study. Starfire Vol. 1: Welcome Home can be your answer given it can be read by you who have those short free time problems.

Clarence Kissel:

In this time globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. Often the book that recommended to you is Starfire Vol. 1: Welcome Home this book consist a lot of the information from the condition of this world now. This book was represented how can the world has grown up. The dialect styles that writer use for explain it is easy to understand. The writer made some exploration when he makes this book. This is why this book suitable all of you.
