The Complete Pink Floyd is an incredible book. It lists every concert, every appearance, every song, every turn and twist in the amazing story of one of the world's most famous bands. Acknowledged expert Glenn Povey first published Echoes in 2006 but since then he has been allowed access to all of the band's Abbey Road recording notes (the only person to do so) and the band have announced the release of a new album. This complete reboot of the original is illustrated with all-new material, including hundreds of photographs and rare memorabilia. Every solo concert has been updated for Waters and Gilmour, and details of the band's many re-released albums have been added, including never-before-published research into their earliest recordings from 1965.
