The Lawyers' List, published since 1904, presents a limited international list of members of the Bar. Selection is based on personal investigation by field representatives and recommendations by subscribers and corporate law departments. Law offices listed are engaged in either General, Corporation and Trial Practice or Patent, Trademark and Copyright Practice as noted. In some countries, Patent and Trademark cases are handled by Patent Agents who are not attorneys. These listings are clearly identified. The work is published for use by members of the Bar, legal departments of corporations and Foreign Service and Department of Commerce offices throughout the world.
