**You Ain't Seen Nothing Yet: The Future of Internet Commerce** Jay M. Tenenbaum (Chairman, Chief Scientist, CNgroup)

As more companies and consumers turn to the Web with their dollars, the success of e-commerce depends upon the creation of a new set of standards. Jay Tenenbaum, Chairman and Chief Scientist of Cngroup, describes tomorrow's Web and how the creation of standardized forms and documents will open up a world of information and services like never before. The Web, he explains, will be rivaled only by itself, and therefore, a business that is not online will soon be nowhere at all.
