## Appalachian Winter Hauntings: Weird Tales from the Mountains

Appalachian Winter Hauntings includes eleven bone-chilling accounts-penned by many of the preeminent storytellers in the business-that are appropriate to the Appalachian region and relative to the heart of the holiday season. This anthology, edited by Michael Knost and Mark Justice, is designed for cozying up close to a blazing fireplace on the coldest of winter nights. Contributors include: Ronald Kelly, Brian J. Hatcher, Patricia Hughes, Steve Vernon, S. Clayton Rhodes, Steve Rasnic Tem, Sara J. Larson, Scott Nicholson, J.G. Faherty, EmmaLee Pallai, and Elizabeth Massie. The texture is gritty and the stories are moving. Think Charles Dickens' "A Christmas Carol" turned up a notch with a ghostly Appalachian backdrop. So, pour yourself a mug of hot cocoa, wrap your favorite blanket around you, and brace yourself for ghostly stories and weird encounters that take place in the shadows of snowy hilltops or along icy mountain trails. Family friendly.
