Biggles: The Camels are Coming: Number 3 of the Biggles Series W.E. Johns
Reissued with a stunning new cover, this is the perfect introduction to this bestselling series for new readers.

The Camel closed up until it was flying beside him; the pilot smiling. Biggles showed his teeth in what he imagined to be an answering smile. 'You swine,' he breathed: 'you dirty, unutterable, murdering swine! I'm going to kill you if it's the last thing I do on earth.'

Set in the last years of the First World War air combat has now become the order of the day and air duelling is a fine art. Biggles and his fellow pilots now have to contend with the enemy using their own British aircraft, a Sopwith Camel, to lure the British pilots to their deaths.
