Darril Gibson

CompTIA Network+ N10-005 Practice Test Questions (Get Certified Get Ahead) Darril Gibson CompTIA Network+ N10-005 Practice Test Questions (Get Certified Get Ahead) includes 275 realistic practice test questions and over 175 flash cards to help you take and pass the Network+ exam the first time you take it. If you want to test your readiness for the Network+ exam and reinforce the important material, this Kindle eBook is for you.

Updated with information about the new performance based questions. While performance based questions cannot be simulated in a Kindle ebook, this updated edition does provide key information about these questions including links to up-to-date pages about them.

All practice test questions include in-depth explanations to help you understand why the correct answers are correct, and why the incorrect answers are incorrect. Master the material and no matter how CompTIA words the questions, you'll be able to answer it correctly.

The book is organized in five chapters matched to the five Network+ domains. Each chapter includes four sections:

1. Quiz Mode Section. This section includes practice test questions including answers formatted specifically for the Kindle. One Kindle screen shows the question. When you decide what you think is the correct answer, go to the next Kindle screen to see the correct answer and the in-depth explanation.

2. Flash cards formatted specifically for the Kindle to help reinforce important concepts. One Kindle screen shows a flash card type question and the next Kindle screen shows the answer.

3. Practice mode section. Includes practice test questions without answers. This section repeats the questions in the quiz mode section but the answers are not readily available. You can use this to test yourself to see if you know why the correct answers are correct, and why the incorrect answers are incorrect.

4. Review mode section. Includes practice test questions with answers. This section combines the questions, answers, and explanations so you can use it as a last minute review for any of the domains.

The introduction includes details on the exam to give you an idea of what to expect. Additionally, all of the relevant acronyms are spelled out in the explanations and flashcard answers.
