They say, 'opposites attract'. Some would disagree, but these four women couldn't be more different if they tried. These best friends have different lives, different aspirations and different outlooks on life and the way it should be. However, they do share a few common denominators – they all work together. Every day, they earn their living by working in a hair and beauty salon, where fun is the top style of the day. They also live in the same little village; quiet, peaceful and where not a lot happens. They're all feisty and love each other fiercely. Follow these ladies through a journey that's packed with fun, happiness and heartache. This story will leave you smiling, feeling happy and grateful for the life you have. GirlsQuad is coming for you, and you will be able to relate to at least one of these characters, if not all of them. Everyone has a friend like Clarissa, Brenda, Carla or Davina.
