## ¡Quemad Barcelona! (Spanish Edition) Guillem Martí

Más allá del deber. En una polvorienta estación de autobuses, en Ciudad de México, Miquel espera la llegada de su mujer, Teresa, a quien no ve desde hace diez años, y de su hija, a quien no conoce. Mientras las espera, rememora con amargura los acontecimientos que le han llevado hasta ese lugar. Sus recuerdos lo llevan a enero de 1939, días antes de que el ejército rebelde entrara en Barcelona. La República agoniza y la guerra está perdida, y la ciudad es ya una sombra de lo que era: el que puede huye a la frontera y el que no, espera resignado la suerte del vencido. En estas condiciones llega la orden del Komintern de arrasar la ciudad, destruir las vías de comunicación y centros neurálgicos de energía, agua y transporte, para no dejar nada en pie al enemigo. Miquel Serra, miembro del PSUC y conseller de la Generalitat, es el encargado de llevar a cabo esa orden de tierra quemada. Pero Miquel, en alianza con Corbacho, un sargento madrileño veterano del ejército republicano, y jugándose la vida, boicotea esos planes y salvaguarda la ciudad.

### From reader reviews:

#### Arthur Haase:

What do you think of book? It is just for students because they're still students or it for all people in the world, the particular best subject for that? Simply you can be answered for that problem above. Every person has distinct personality and hobby for each other. Don't to be obligated someone or something that they don't desire do that. You must know how great as well as important the book ¡Quemad Barcelona! (Spanish Edition). All type of book would you see on many options. You can look for the internet options or other social media.

#### Lilian Anderson:

Nowadays reading books be a little more than want or need but also be a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with schooling books but if you want experience happy read one along with theme for entertaining like comic or novel. The actual ¡Quemad Barcelona! (Spanish Edition) is kind of publication which is giving the reader erratic experience.

#### Brian Street:

Many people spending their moment by playing outside along with friends, fun activity along with family or just watching TV the entire day. You can have new activity to enjoy your whole day by examining a book. Ugh, you think reading a book can definitely hard because you have to accept the book everywhere? It all right you can have the e-book, taking everywhere you want in your Touch screen phone. Like ¡Quemad Barcelona! (Spanish Edition) which is getting the e-book version. So , try out this book? Let's find.

#### Ruby Harris:

Many people said that they feel uninterested when they reading a publication. They are directly felt the item when they get a half parts of the book. You can choose the particular book ¡Quemad Barcelona! (Spanish Edition) to make your personal reading is interesting. Your own personal skill of reading talent is developing when you like reading. Try to choose straightforward book to make you enjoy you just read it and mingle the sensation about book and reading through especially. It is to be initial opinion for you to like to open up a book and learn it. Beside that the e-book ¡Quemad Barcelona! (Spanish Edition) can to be your new friend when you're feel alone and confuse in doing what must you're doing of their time.
