## **Reformed** J.R. Tate

Ryan Shay wants to forget his past. Memories of an abusive childhood, betrayal from his family, and a failure to trust anyone have held him captive his whole life. Afraid to confront his demons, it's a miracle he hasn't wound up a statistic in the war on drugs. Having no real purpose or reason to get better, he has failed several rehab stints and has always gone back to the one thing he finds comfort in – drugs and alcohol. After being accused of stealing from a local dealer, suffering from an overdose, and learning he might have a son, Ryan finds a strong reason to break the chains of his addictive past and end the cycle of his shameful ways. He is determined to become clean, despite the constant negativity sent his way from his friends and society. His success is not only for himself, but for someone who desperately needs him. What could be viewed as a careless mistake to many is possibly the one thing that might save Ryan Shay's life.
