Rise of the Sages (Book #7 of the Sage Saga) Julius St. Clair

James thought his story was over.

But with the convergence of Terra, Oblivion, and Paradise, it has only just begun.

Once again allied with his former teammates, the reunion is found to be bittersweet, as they are soon targeted by ruthless assassins, overcome by betrayal, and pursued by an enemy so relentless that it could be nothing but personally driven.

In a world void of second chances, James realizes that he has to push his Sage abilities to the limit and beyond if he, and everyone he loves, is to have a fighting chance. But with time being short, and whispers of war riding the winds, there is little time to prepare.

The Sages have indeed returned.

But for how long?
