BOOK DESCRIPTION: Anne Farleigh's stunning dress designs are a large part of what makes a wedding at the Rose Chalet so coveted. Just when she is about to create the most important dress of her career, Anne finds out shocking news about her father's past. She's spent her entire life believing that her parents shared the perfect love story. But did they? Or was it all just a lie...

Gareth Cavendish runs both his Private Investigation firm and his life by the book. But when he serves Anne with papers relating to her father's alleged affair two decades earlier—and the illegitimate daughter that resulted from it—he finds it impossible to remain strictly professional. Anne is simply the most beautiful, sweet, and open-hearted person he's ever met. Only, how many rules will Gareth have to break to help her learn how to believe in love again?
