Everyday, physicians take on health challenges all over the world. Some they win while some they lose and others they withhold. Among these challenges are some that have existed many years before Science that we have not been able to find a permanent cure to. Some of the challenges have put fears into many people in the world because of their severity. A recent challenge we face today is the outbreak of Ebola virus which has killed about 90% of its victims. There are facts to support that but as a result of the fear that has been created by the media through their reports and visual contents, almost everyone is unwilling to look into it thoroughly. If you thoroughly study this virus, Ebola then you should come across some evidences that show clearly that it is simply a Legal Scam that has been used by a few people in the past to achieve their goals. Those evidences are what the media have never presented to the world because if they do, the whole world will realize that it is a scam and also that there are THREE CURES. Those are what you will find out about this Ebola virus from this piece...
