**99 Degrees of Freemasonry** Bro. Henning Andreas Klovekorn B.A G.

From the secret corridors of Scotland's Rosslyn Chapel to the dark crypts of Hitler's SS, the rise and fall of fraternal societies has shaped our world. The global authority on fraternities and best-selling author on Freemasonry; Bro. Henning A. Klövekorn, in the long awaited third edition of the "99 Degrees of Freemasonry" provides an inspirational and thought-provoking analysis of the philosophies, allegories and symbolism of Freemasonry and related orders. Take a journey of unrivalled passion from Knight Templar graves, hidden symbolism in European art to previously unpublished photos of the temples of the Grand Orient of France and the Bavarian Illuminati. This publication begins with the startling evidence of a central European origin of Freemasonry and ends in the revelation of the highest ritual degrees of the Freemason Order.
