You will greatly enjoy each of these heart warming, true stories, involving the special power of extrasensory perception in animals.

They are also about a bond of trust that can exist between people and animals of all kinds.

These thoughtful tales demonstrate how the author spoke silently with all forms of life and how he grew to understand their silent replies.

The author believes that this silent language can be learned; reading this book helps us cultivate a gentle, reverent attitude toward all life.

This book salutes the divinity within all living creatures and opens up a wonderful new world of silent communication for you to explore.
