**Catena Aurea. Commentary On The Four Gospels, Collected Out Of The Works Of The Fathers S**  
Thomas Aquinas

This antiquarian book contains Thomas Aquinas's "Catena Aurea". It is a comprehensive discussion and analysis of the four Gospels, by some of the greatest theologians to have ever graced the Catholic Church. Aquinas compiled this opus from sermons and commentaries on the Gospels written by the early Church Fathers. He arranged their thoughts in such a way that they form a continuous commentary on each Gospel, verse-by-verse. This book will prove invaluable for serious students of Catholicism, and is not to be missed by the discerning collector. Many vintage texts such as this - particularly those dating back to the 1900s and before - are increasingly hard to come by and expensive. It is with this in mind that we are republishing this book now, in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.
