Don't anger the wolf... he protects the ones he loves.

Johnny shouldn't be driving in the woods this late, even if he's a reporter writing about the vigilante attacks taking place in town... supposedly performed by a **werewolf** who punishes men on the run from the law.

But when he loses control of his vehicle and gets into an accident, it's the **hunky, gorgeous** Rock who comes to his rescue... and the two find themselves in an **intense, passionate bond** between shifter and prey.

The **wolf who saved Johnny** has so much he wants to show his boytoy: it'll be **an education of the sexiest kind**.
