The Watershed Years (N/A)

Russell Rowland

The Watershed Years (N/A) Russell Rowland

This is the long-awaited sequel to Rowland's highly acclaimed first novel, *In Open Spaces*. Follow the Arbuckle family through years of troubles, trials, and triumphs as they struggle to hold their Montana ranch - and their family - together. In this dramatic story, brothers and wives turn against each other as they struggle with greed, deceit, and murder.

In Open Spaces received excellent reviews (*The Atlantic Monthly*, *Publishers Weekly*, and more), made several best-book lists, and was praised by Ivan Doig, Guy Vanderhaeghe, and others. *The Watershed Years* may be even better. Long after finishing this book, readers will still be remembering its sharply drawn characters and their unexpected fates.
