What if you could learn to write well using a method that had been successful for thousands of years? *Writing the Classical Way* does just that, teaching ancient writing exercises (the progymnasmata) to pre-rhetoric students. These fourteen exercises help students master each aspect of narrative, expository, and persuasive writing through incremental steps.

Developed and tested in the classroom, *Writing the Classical Way* features the following:

- Overview of each progymnasmata exercise containing its definition, purpose, and organization
- Emphasis on historical literature and examples
- Connections between each progymnasmata exercise and the modern world
- Use of standard forms of English paragraph and essay organization
- “Think It Through” questions to de-mystify the progymnasmata
- Model essays in each chapter
- A proven method for teaching students to write well
