## Is It Just Me or Has the Shit Hit the Fan?: Your Hilarious New Guide to Unremitting Global Misery

Steven Lowe, Alan McArthur

**The authors of *Is It Just Me or Is Everything Shit?* survey the post-crash landscape—are we better people now, or just the same people with less money?**

*"Tom Cruise and Katie Holmes' daughter Suri (with her thick dark hair and wide eyes . . . ) has been named the most 'influential' A-list toddler in a new Forbes list. The two-year-old beat Brad Pitt and Angelina Jolie's kids . . . " Forbes has an Influential Toddler list. Forbes has an Influential Toddler list. Forbes has, it bears repeating, an Influential Toddler list.*

From bank bailouts to enviro-copouts; from Tory politicians listening to The Jam to celebrity credit crunch "victims" Grant Bovey and Anthea Turner; from BNP coppers to Christian theme parks to middle-class shoppers banging on about budget supermarkets; plus everyone banging on about *The Wire*. Funny, sharp, and timely, *Is It Just Me or Has the Shit Hit the Fan?* asks the crucial questions of the new age, like; why are the people who screwed the world still running the world and screwing the world until we're all screwed more than we've ever been screwed before?
