Linger 4: Here There Be Monsters (A Linger Thriller) Edward Fallon, Will Graham
THEY SEE WHAT NO ONE ELSE SEES

Every crime scene has a smell. A look. A trail of DNA. It also has a feel. An emotional residue that lingers... floating unseen, like bacteria in the air, just waiting to be absorbed. To be experienced. To be interpreted.

And only the man, the woman, and the boy know this.

After three fruitless days following a lead to the Beast in Texarkana, Texas, Kate decides to use a much needed break to pursue a gun and P.I. license in Austin. But when Christopher begins having disturbing but unexplainable seizures, Kate, Weston and the boy are led to the Texas Killing Fields in Houston, where countless bodies are buried, and a carnival of terror that may well cost Kate her life...
