Moranthology

Caitlin Moran

Moranthology Caitlin Moran

The follow-up to Caitlin Moran's breakout hit, *How to Be a Woman*—A hilarious collection of award-winning columns, available to American readers for the first time ever.

Possibly the only drawback to the bestselling *How to Be a Woman* was that its author, Caitlin Moran, was limited to pretty much one subject: being a woman. *Moranthology* is proof that Caitlin can actually be "quite chatty" about many other things, including cultural, social, and political issues that are usually the province of learned professors or hot-shot wonks—and not of a woman who once, as an experiment, put a wasp in a jar and got it stoned. Caitlin ruminates on—and sometimes interviews—subjects as varied as caffeine, Keith Richards, *Ghostbusters*, Twitter, transsexuals, the welfare state, the royal wedding, Lady Gaga, and her own mortality, to name just a few. With her unique voice, Caitlin brings insight and humor to everything she writes.
