No longer torn between the billionaire and the biker, Bee has claimed her man, branding his skin with her scent, his soul with her care. He's her ideal choice, building passion within her she didn't know existed, supporting her dreams, and willing to do anything for her.

But is she the ideal choice for him?

An early-morning surprise attack and the arrival of a beautiful, witty, and regrettably nice rival make Bee question her decision. Does she step aside, forgoing her forever to ensure her man's survival, or does she risk his life and her heart on love?
