Lisa knows that her new stepbrother is no good, but that doesn't stop the attraction she feels, whenever they got together. Lisa knows that her stepbrother is best friends with a drug dealer, who provides him with more dope than he could ever smoke, but that doesn't stop her from asking him to take her there when she finds her life spiralling out of control.

Lisa knows that the attraction to her stepbrother can never go any further. She knows that even though the attraction is becoming stronger that it can never lead anywhere. That is until she lets go of her self-control and forgets about the consequences.
