Here's the first outrageous entry in the "Gay Blue-Collar Farmworker Erotica", a gay multiauthor erotica series featuring kinky and romantic stories alike, all about farmers, ranch hands and more!

Farmboys Downlow: The Daughtry brothers manage their family farm, hanging on by the skin of their teeth since their parents passed away. They sometimes barely get along at all, and the arrival of a mysterious black stranger from even further South threatens to unravel their family entirely. The Daughtrys and their new friend Hollister explore the limits of their sexual desire in this primeval celebration of the macho redneck archetype.

Love and Lust Between Men Around the Farm: David is a widower whose loneliness grows as he manages his farm without his wife by his side. He isn't sure he can handle it, until the day he hires Ralph, a muscle-bound farmhand, and everything changes... Feelings bubble up within David whenever he is with Ralph, and he doesn't know how to take it. David has always been so straight he couldn't dream of savoring the embrace of the less-fair sex, and he never thought he'd fall in love with a man.

The Farmhand Is Forbidden: Thaddeus Banforth is a strapping young boarding school lad whose farm-owning father thinks he needs to learn about honest work. For his blue-collar education, he is sent for a summer to live and labor with the family's hired farmhands. There, he meets a bevy of swarthy, dusty, rough-skinned men who don't share the same boundaries as he does. One farmhand in particular is put in charge of Thad's education in manual labor. But their relationship quickly grows into something more than that, something hot and heavy, and something that Thad will remember for the rest of his life.
