## **Pee Where You Want: Man's Best Friend Talks Back!** Karen H. Thompson

What can man's best friend teach us? Apparently a lot, according to *Pee Where You Want, Man's Best Friend Talks Back* author Karen Thompson and her loyal companion, Max. Inspired by countless talks (often one-sided, of course), Karen wrote what she believes Max, and dogs all over are really thinking about their owners and life in general. Channeling the voice of her beloved canine, *Pee Where You Want* provides an edgy and often-irreverent perspective on a range of topics such as overnight YouTube sensations, excessive sweet-sixteen parties, and everyone gets an award mentality. Co-author Max is clearly a voice of reason in a sea of rhetoric. Offering such unleashed wisdom as "Thou shalt never stop chasing squirrels...find the squirrel in your life and chase it every day." Many people claim to know what man's best friend is thinking but Karen Thompson is the first author who truly captures the offbeat, biting, and all out hilarious voice of dogs everywhere. *Pee Where You Want* is a humorous look at our lives through the eyes of our loyal companions. Sadly, Max passed away in 2010 but fortunately for us, his wisdom will live on in this raw, honest, and irreverent book.
