## **Fast Track Coin Magic** Al Schneider

This book would interest those wishing to master the art of coin magic. It was written by a leading magic creator, writer and theoretician. The purpose of this book is to provide material that would enable a person new to magic a path to excellence in a short period of time. It begins with concepts of how to simply face an audience, what the basis of magic deception is, and ends with several high impact tricks the student can master in a reasonable period of time. In short, mastery of this material will gain respect from any group of magicians. The book includes a volume of pictures to clearly depict the effects presented.
