Island of the Cavemen: The Hunter's Claim (Huge Size Monster Pregnancy) Fannie Tucker

On an island lost in time, hulking Neanderthal brutes will plant their seed in the womb of any woman unlucky enough to wash up on their mist-shrouded shores.

After a terrible winter, the villages of eastern Siberia have only one choice to avoid starvation. When several young women are traded to a race of savages in exchange for meat, one will need every scrap of courage to face the Neanderthal leader, a giant barbarian driven by a primal lust older than humanity itself. Lena would sacrifice anything to save a friend, but will her innocence be a price to high to bear?
