*What Happens when you discover you OWN your lover?*

In **THROWN BY LOVE**, Ace pitcher Scotty Donovan has been traded from his longtime team--and hates it. But to his surprise, he now finds himself in the sweetest game of his life: winning the heart of smart, sexy physics professor Chloe McNalley.

Chloe loves teaching, but she's never fit into academia. When she falls for Scotty, she discovers his arms and heart are where she belongs. They share a passion for the game, a fascination for the mysteries of the universe and an increasing love for one another.

Then Chloe inherits Scotty's new team. As player and team owner, they shouldn't be dating. They try to hide their passion, until a blackmailer threatens them personally and professionally. Exposure could be the end of everything--Scotty's career, Chloe's team ownership, and their new love--unless they find a way to transcend the taboo standing between them.
