Reeling from the recent Project Powering battle with the evil Nexus Group, were-lynx and veterinarian Lara Monroe struggles with thwarting the group's plans to eliminate her colony while dealing with her own traumatic past. Still, when her fellow colony cat - and secret crush - Booker Chase needs help, she's willing to use her special healing touch to help him survive his emotional hell.

A formidable were-lynx and a physician, Booker has his hands full helping patients who were seriously injured in the battle. But nothing can repair his soul, broken from the loss of his wife and the PTSD from his service in Afghanistan . . . or can it? Now that his good friend Lara is standing by him in his emotional struggles, he's finding there is more to their connection than he realized. But dare he open his heart?

In the epic conclusion of the Fierce Hearts series, the colony takes its biggest risk of all to shut down the Nexus Group forever - will Lara and Booker survive to take their second chance at love?
