Mia Briggs is a smart woman who did a stupid, stupid thing. At 22 years old, she's fresh out of college, and on the run from a dangerous man for a crime she committed out of desperation. She travels to New York City, where she hopes she can lie low for long enough to figure a way out of the mess she's made.

Everything goes according to plan. Then Mia gets in a bind, and Caleb Simmons comes to her rescue.

A billionaire with a mysterious history of his own, Caleb is sexy, kind, and way out of Mia's league - or so she thinks. They share one amazing night together that unexpectedly turns into so much more.

Even though Caleb knows Mia is hiding something from him, he offers her shelter and safety. He's determined to protect her at all costs, even though he doesn't know who or what he's protecting her from.

When Mia's dirty little secrets come to light, she and Caleb show each other what it means to do anything for love.

Dirty Little Secrets is a stand alone story - no cliffhangers - and the first book in the Dirty Little Series.
