The tale of a forbidden love and a paranormal romance with a difference...

Werewolves and werebears are mortal enemies. Alex, a wolf shifter, knows this; but when he sees a werebear wounded and about to be caught by poachers, he can't just sit back and let it happen.

After a daring rescue he's left with an injured bear shifter and a new found responsibility to get them to safety. Shifting into human form, the bear just so happens to be a beautiful and curvy woman, and one that Alex is instantly down to.

The question is, with bears hating wolves and wolves feeling the same, where do they go for safety?

Join the two as they get to know each other and embrace a forbidden love. A must read for fans of the paranormal and romance stories.

This shifter romance book is for adults, 18+ only. Contains scenes of a sexual nature.
