## **Recovering Jewishness: Modern Identities Reclaimed** Frederick Roden

Judaism and Jewish life reflect a diversity of identity after the past two centuries of modernization. This work examines how the early reformers of the 19th century and their legacy into the 20th century created a livable, liberal Jewish identity that allowed a reinvention of what it meant to be Jewish—a process that continues today.

- Documents how modern Judaism and the modern Jewish identity was built on diversity resulting from intermarriage and converts to Judaism over the course of two centuries
- Describes how individuals with remote connections to Judaism and Jewish identity are reclaiming those connections and reinventing what it means to be "Jew-ish," and are providing new models for those seeking to reconnect with Judaism
- Uniquely offers insightful critical analysis of the literature by converts to Judaism
