Sunbird and Wild Justice Wilbur Smith

SUNBIRD

Dr. Ben Kazin is a brilliant archaeologist. Louren Sturvesant is rich, impulsive, and physically imposing, everything Ben is not. Now, the two men--friends, competitors and partners--are searching for the legendary lost city of Opet, built by an Egyptian culture that reached Africa two thousand years ago, then vanished completely.

For Ben, the expedition is a chance to prove a controversial thesis. For Louren, it is a chance to spend millions--and make it all back in gold and glory. But what awaits them is an astounding discovery, a siege of terror, and an act of betrayal that will tear the two men apart and bind them together forever...

Hidden beneath water, jungle, and blood-red cliffs is a lost world where two men and a beautiful woman were caught in a furious battle of passions two thousands years ago, but which has begun once again....

WILD JUSTICE

No one equals acclaimed *New York Times* bestselling master, Wilbur Smith, when it comes to international intrigue and heart-pumping adventure. Now he pits a ruthless soldier and a beautiful woman of mystery against an evil genius with the power to hold the world hostage...

For One Man, The Message is Fear

It begins as a routine trip to South Africa. It ends in a nightmare for 400 passengers taken hostage. The hijacker is a beautiful pawn for an elusive figure-codename Caliph, whose campaign of terror has just begun. And the one man who rescued Flight 070 is the only man who can stop Caliph dead in his tracks.

For One Freedom Fighter, The Mission is Fearless

His name is Major Peter Stride, commanding agent of a crack team of anti-terrorist operatives. He's used to doing battle-and winning. But when his help is sought by the mysterious widow of one of Caliph's victims, and his own daughter is kidnapped, Stride plunges into a darker and more personal war than ever before. A war that will take him across the oceans and continents, closer to a shocking betrayal...and closer still to a madman who has the power to destroy the world and who knows Stride's every move- down to what could be his last one....
