Eternity: Reclaiming a Passion for What Endures Dr. Joseph M. Stowell

"Using heaven as our point of reference lends new balance to life on earth and provides fresh alternatives for a world filled with hollow pursuits", says nationally known teacher and author, Joe Stowell. We belong to the world to come. In fact, since that world has already been planted in our hearts, we are already citizens of heaven. This well-known and respected Bible teacher shows how triumph in this present world can only come when we realize that while we live here, we don't really belong here. We belong in heaven, along side our Father and Creator.
