Hermeneutics: An Introduction

Anthony C. Thiselton

Hermeneutics: An Introduction Anthony C. Thiselton

Anthony Thiselton here brings together his encyclopedic knowledge of hermeneutics and his nearly four decades of teaching on the subject to provide a splendid interdisciplinary textbook. After a thorough historical overview of hermeneutics, Thiselton moves into modern times with extensive analysis of scholarship from the mid-twentieth century, including liberation and feminist theologies, reader-response and reception theory, and postmodernism. No other text on hermeneutics covers the range of writers and subjects discussed in Thiselton's *Hermeneutics*.
