Emma shares a favorite fantasy with her husband. A fantasy in which another man takes her in a way Ken never has.

Ken's a good husband, and a great provider. Their marriage is built on very strong foundations. And yet hotwife and cuckold fantasies play through both of their minds over and over. What if? But how? Making it happen might not be as simple as the fantasy suggests.

The Hotwife Coach is Max Hatfield, a dominant man who's built his empire around introductions to a new world of pleasure. A place where women like Emma can find fulfilment in real men.

This series collection follows Emma's journey into being a hotwife and includes her inspection and her presentation to the men on Mr Hatfield's books. Her husband is also embarking on a new journey where he'll experience humiliation, chastity and observing Emma in increasingly hot situations.
