As a university student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring

and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for.
